END-USER LICENSE AGREEMENT (EULA)	We provide all file formats for self-hosting (webfonts included). NO MEDIA RESTRICTION In print, mobile apps, electronic publications, websites, films and videos.	Our standard license gives you the right to install the fonts on up to 5 computers within your company. Under certain terms, you additionally may provide the fonts to your printer or web developer.

THIS END-USER LICENSE AGREEMENT (EULA) IS A LEGAL CONTRACT BETWEEN YOU (END-USER) AND ALTIPLANO (SUPPLIER). BY DOWNLOADING, INSTALLING AND/OR USING THE FONT SOFTWARE YOU CONFIRM THAT YOU HAVE READ AND ACCEPTED THIS EULA.

COPYRIGHT OWNERSHIP OF PRODUCT GENERAL LAWFUL USE

Digital typefaces are both design and computer softwares. The intellectual property of the design contained in the font softwares is owned by Altiplano. The structure, organization and code of the font software are the valuable trade secrets of Altiplano. You have purchased a non-exclusive license which grants you certain rights to use the font softwares; It does not grant the right for sale of the font software, of its design or any portion of it. Except for your right to use the font softwares granted by this license, all other rights are owned and retained by Altiplano. Altiplano hereby grants you a limited and non-exclusive license to install and use the font software on the number of computers which is specified in the order. These computers have to belong to the Licensee which is specified in the invoice. The end-user is allowed to create one (1) copy for back-up use only. Each device containing the font software counts as one computer.

You are not authorized to sublicense, sell, lend or lease the font software. You are allowed to send a copy of the font software to a printer or any service company for final output. The printer or the service company will have to destroy any copy of the font software upon completion of the work. You further agree to inform the printer or other service company about the content of this EULA. You may: a) not convert, modify or rename the original font software under any circumstance; b) not open the original font software in an editing software in order to reveal its structure, organization or code; c) not use the original font software file to create a derivative or modified product or design, including creating characters for alphabets and languages not covered by the typeface or designing a custom version of the typeface; d) not modify the design of the characters contained in the font software, even if converted to outlines with the help of an editing or design software.

STANDARD/MULTI-USER LICENSE

It is possible to upgrade the number of CPUs allowed, the Licensee must purchase additional licenses contacting Altiplano directly. The Licensee may install the font software on a single file server for use on a single Local Area Network (LAN) only when the use of the font software is limited to the workstations and printers that are part of the licensed unit. Each workstation connected to the LAN counts as one computer from the total al-

lowed amount stipulated in your order. The font software may not be installed or used on a server that can be accessed via the Internet, via another external network system (a system other than LAN) or by workstations which are not part of a licensed unit. For embedding in website, see Self-Hosting And Embedding.

COMPATIBILITY AND USAGE

Altiplano provides OpenType/CFF (.otf) desktop font formats. WOFF2 (woff2), WOFF (woff) and TTF (tff) files are included in all font packages, except animated styles, which are generated under JSX (jsx) and JSON (.json) font formats. Altiplano guarantees that the font softwares downloaded from

its website are valid fonts, installable and printable. It's a matter of the systems, softwares versions or browsers whether they support OpenType fonts and features: please refer to your system/software/browser documentation.
